## Rachel's Corner

*"The darkness inside is a reminder of how valuable this ongoing, steady awareness of God is inside of you, loving you and caring for you. Believe it is there! It never goes away. Even though you might find yourself disconnected for a while, the disconnection could be a marvelous tool to increase your awareness of what a gift it is. It will be there! Just like dawn follows night."* Msgr. Don Fischer

Consider looking at the darkness you feel inside of you since your abortion decision, as in invitation into the light again. God has not abandoned you and wants to be that dawn for which you yearn so desperately, after a very long night. Join us on the next Rachel's Vineyard™ Retreat.
